RECOMMENDATION OF THE MAGISTRATE JUDGE

Plaintiff filed this 42 U.S.C. § 1983 action on July 3, 2018. When he filed suit, Plaintiff was incarcerated at the Lee County Detention Center in Opelika, Alabama. The court recently learned that Plaintiff is no longer housed at the Lee County Detention Center, which is the last known service address the court has on file for Plaintiff. Consequently, an order was entered on September 5, 2018, requiring that by September 12, 2018, Plaintiff file with the court a current address and/or show cause why this case should not be dismissed for his failure to adequately prosecute this action. Doc. 12. This order specifically advised Plaintiff this case could not proceed if his whereabouts remained unknown and cautioned him that his failure to comply with its directives would result in the dismissal of this case. *Id.* Plaintiff's copy of the September 5, 2018, order to show cause was returned to the court on September 25, 2018, marked as undeliverable.

The foregoing reflects Plaintiff's lack of interest in the continued prosecution of this case. This action cannot proceed properly in Plaintiff's absence. The court, therefore, concludes this case is due to be dismissed. *See Moon v. Newsome*, 863 F.2d 835, 837 (11th Cir. 1989) (As a general rule, where a litigant has been forewarned, dismissal for failure to obey a court order is not an abuse of discretion.).

Accordingly, it is the RECOMMENDATION of the Magistrate Judge this case be DISMISSED without prejudice for Plaintiff's failure to comply with the orders of this court and to prosecute this action.

It is further

ORDERED that **on or before October 17, 2018**, Plaintiff may file an objection to the Recommendation. Any objection filed must specifically identify the factual findings and legal conclusions in the Magistrate Judge's Recommendation to which Plaintiff party object. Frivolous, conclusive or general objections will not be considered by the District Court.

Failure to file a written objection to the proposed findings and recommendations in the Magistrate Judge's report shall bar a party from a *de novo* determination by the District Court of factual findings and legal issues covered in the report and shall "waive the right to challenge on appeal the district court's order based on unobjected-to factual and legal conclusions" except upon grounds of plain error if necessary in the interests of justice. 11th Cir. R. 3-1; *see Resolution Trust Co. v. Hallmark Builders, Inc.*, 996 F.2d 1144, 1149 (11th Cir. 1993); *Henley v. Johnson*, 885 F.2d 790, 794 (11th Cir. 1989).

Done, on this the 3rd day of October, 2018.
